Miss Elliott

The ceremony, which was performed at 8 o'clock, by the Rev. Dr. Smith, of St. Ann's, Tenleytown, was attended by a small party of relatives and friends.

Branches of dogwood, wild honeysuckle, and clusters of bride roses formed the house decorations. A string orchestra played the wedding music.

The bride, who was given in marriage by her brother, Alexander Munroe Elliott, wore a handsome gown of white crepe meteor satin, embroidered in pearls and trimmed on the bodice and sleeves with rose point lace. Her long tulle veil was arranged with a coronet of orange blossoms, and she carried a shower bouquet of bride roses and lilies of the valley.

Miss Virginia Elliott, who was her sister's only attendant, wore corse satin made draped princess style and trimmed with lace of the same shade. She carried a cluster of sweet peas to match her costume. Dr. Arthur L. Hunt was best man for Dr. Murphy.

ANACOSTIA POLICE SEEKING SOLICITOR

Is Said to Collect for Magazines Which Are Not Received.

WASHINGTON TIMES BUREAU.

ANACOSTIA, D. C., April 27.—The police of the Anacostia precinct have been advised by the Leslie-Judge Company, publishers, of New York city, that a man representing himself to be H. C. Morris and a representative of that company, has been visiting the towns in the adjacent parts of Maryland, where he has collected sums of money in payment for subscriptions to the publishing company's journals.

The police are requested to cause the man's arrest, it being stated that he is an impostor and that the credentials he is in possession of are bogus. His plan is to accept money from residents who subscribe to the publications, but who do not receive any of the journals in return.

The minstrel entertainment last evening in the Masonic Hall was largely attended. The minstrel performance was under the direction of Grover F. Tolson, the interlocutor. The other members of the company were George Ferguson, Ralph Small, J. Paul Green, Charles F. Cryer, William H. Cook, John F. Wiley, William E. Wiley, A. L. Simpson, J. H. Ritchie, and Messrs. Galt, Van Look, and Chaney.

Some of the Rehearsal leaders are considering the advisability of instituting a lodge of that order in Anacostia, where for the last two years or more, no such organization has been in existence.

Prior to the formation of Laura Temple composed of men and women, Anacostia Tent, No. 138, was in a flourishing condition for many years. As Laurel Tent was abandoned, the male members have associated themselves with Jehu Tent, No. 22, of Southeast Washington.

Two Sunday schools in Anacostia churches are arranging their programs for Children's day. Superintendent John Dent, of the Anacostia Baptist Church, and Superintendent W. A. Snell, of the Garden Memorial Presbyterian Church, are supervising the respective arrangements.

Electra Chapter, No. 2, Order of the Eastern Star, held its regular meeting last evening in the Anacostia Masonic Hall.

In order that all residents may have a chance to enter the best-kept-yard competition inaugurated by the Anacostia "Citizens Association, entry sheets are being delivered at each home in the town.

The members of St. Teresa's Club were entertained last evening at the home of Miss Alice Quaid, 125 W. street. The following were present: Misses Grace Dixon, Jacqueline Warren, Gertrude Miel, Agnes Resigan, Pauline Williams, Noble Breen, Louise Coomes, Alice Selby, Marguerite Garvey, Josephine Er-mold, and Marguerite Hayes.

NAMED TO SUCCEED GENERAL CLARKSON

GEN. NELSON H. HENRY, Appointed By President Taft As Surveyor of Customs At New York.

FORMER OFFICIAL OF CHINA IS DEAD

BOSTON, April 27.—John Graeme Purdon is dead at Milton, at the age of seventy-five years. For a number of years Mr. Purdon was a merchant in China. He was born in Philadelphia, went to China when seventeen years old, and remained there for forty-two years, returning to this country in 1883. While in China he held many offices of trust, and for a time was the mayor of Shanghai. He had the honor of welcoming General Grant when he made his world tour in 1878, and again in 1899 he was selected to extend welcome to the Duke of Connaught, when he was on a tour of the British possessions.

RADIATOR MAKERS FORMING MERGER

PITTSBURGH, April 27.—A merger of four of the largest radiator works in the country, which will be known as the United States Radiator Company, is being completed here today, and will probably begin business May 1. The companies affected are the United States Radiator and Boiler Company, of Pittsburgh; the United States Radiator Company, of Dunkirk, N. Y.; the United States Heating Company, of Detroit, and the Herenden Manufacturing Company, of Geneva, N. Y. Eight millions in stock are authorized, and a million in bonds are being underwritten.

FREE HAND GIVEN TO GENERAL HENRY

Independence in Conduct of His Office Is Said to Be Assured.

NEW YORK, April 27.—The appointment of Gen. Nelson H. Henry as surveyor of customs at the port of New York is regarded as a victory for the local organization. It was Lloyd C. Griscom, president of the Republican county committee, who first suggested the name of General Henry, who is a member of the organization here.

When Mr. Griscom assumed the leadership the difficulties surrounding the appointment of a surveyor to succeed James S. Clarkson formed one of his most tedious problems. At that time President Taft, for personal reasons, had decided to name Frederick H. Burgher, first deputy police commissioner.

Although never active in politics, Mr. Burgher is regarded as a Democrat, and members of the local organization were up in arms over the prospect. Mr. Griscom persuaded the President to give up his idea of appointing Mr. Burgher, and for some time the race was an open one. Collector Loeb was appointed in his attempt to obtain the position of the place by his experience.

Mr. Griscom suggested the name of George Wannmaker, the appraiser, for advancement to the surveyorship, but this was not satisfactory to the President.

Then the place was offered to Senator J. Mayhew Wainwright, and Mr. Griscom consented to this plan, because Senator Wainwright was considered a supporter of Governor Hughes. When the senator declined the appointment Mr. Griscom presented the name of General Henry, and supported his suggestion with a strong endorsement from Governor Hughes.

General Henry, it is understood, would not consider the appointment unless he could be assured of a free hand, as Collector Loeb had been quoted as saying that the place should be considered entirely subordinate to the collector. The fact that General Henry has accepted the appointment is taken to mean that he has been informed that he will be allowed to use more or less independent judgment in the management of the office.

DR. N. P. BARNES ELECTED.

At the annual meeting of the District Medical Association, held in the George Washington University building last night, Dr. Noble P. Barnes was elected president for the ensuing year. Other officers chosen were Dr. Edward Behrend, vice president; Dr. Luther H. Reichelderfer, secretary, and Dr. Frank Leach, treasurer. All of the standing committees were re-elected.

WOMAN "TRAMP" COLLAPSES AFTER 2,000-MILE WALK

Actress Says She Has Trudged From Sherman, Texas, Via Florida, to Washington, Following Stranding of Her Company.

Mrs. Sadie Orcutt, who claims honors as the champion long-distance woman pedestrian, will continue her journey on foot from Sherman, Tex., to Clear Lake, Iowa, as soon as she is able to leave the Washington Asylum Hospital, where she is now under treatment. Mrs. Orcutt, who says she is an actress, and whose stage name is Maud Ballard, arrived in Washington Saturday night.

With the exception of a few miles in North Carolina, where she was given money to pay railroad fare, she says she has walked all the way from Sherman, a distance of about 2,000 miles, where the theatrical troupe with which she was traveling disbanded for financial reasons. She decided to walk home, and while Clear Lake is about the same distance from Sherman as Jacksonville, Fla., she preferred the latter route.

Preferred Long Way Home

"Other members of the company, including my husband, went the other way," explained Mrs. Orcutt this morning. "But I preferred to come through Florida."

Ill and almost physically exhausted

from her long tramp, Mrs. Orcutt was met by a policeman of the Fourth precinct as she "holloped" it into Washington, across the Highway bridge. Being without funds, the bluecoat had her sent to the House of Detention, but her condition was such that the physician who attended her recommended hospital treatment. She will probably leave Washington Asylum in a few days.

"I left Sherman last November," she said. "It has been slow going, but I was determined to reach home, and when the show broke up, I decided to start out and walk. Of course, I have stopped several days in almost every town, and it will probably be Christmas before I reach Clear Lake."

Food Easy to Obtain.

"I will be all right again in a few days. I have managed to get enough to eat without much trouble, and most of the time I have found a place to sleep, although some nights I had to lay down on the ground along the road."

Mrs. Orcutt says she has enjoyed the tramp as it has given her an opportunity to see the country.

SENATOR McCUMBER BETTER

The condition of Senator Porter J. McCumber of North Dakota, who was operated on last week at the Garfield Hospital, is reported today to be much improved. Although the Senator is weak as a result of the operation, his physicians say he is recovering as rapidly as could be expected, and it is probable he will be on the floor of the Senate again in a short time.
